SECTION III SPECIAL TERMS AND CONDITIONS

- 3.1 **INTENT:** The intent of these specifications is to convey to prospective vendors the general type and quality of one (1) 50" Rotary Boom Mower Attachment as desired by LAC Township and the Public Works Department. Award will be based on Best Value. Best Value means more than low cost. It includes initial cost, service quality and other factors detailed herein.
- 3.2 **ACCEPTANCE:** Bidders are advised that the payment of an invoice does not necessarily constitute as an acceptance of services that are provided. Acceptance requires a specific written action by LAC Township so stating.
- 3.3 **BID SECURITY:** Bidders are required to submit with their bid a bid bond, cashier's check or certified check, payable to the Township of Lower Alloways Creek in the amount of ten percent (10%) of the total amount bid, not to exceed \$20,000. It shall be subject to forfeit and retention by the Township in lieu of other legal remedies, should a successful bidder fail to execute a contract within ten (10) days of the Township rendering a contract.
- 3.4 **AUTHORIZED DEALER/RESELLER:** Bidders **must** submit with their bid signed written factory documentation that they are authorized dealers/resellers for the products they are bidding. If bidder is the manufacturer of the product they are bidding, a signed statement of that fact **must** be included with their bid. Failure to comply with this request may be just cause for rejection of their bid. This may require multiple statements with your bid.
- 3.5 **BIDS REQUESTED ON BRANDS OR EQUAL:** Unit price bids are requested on products that equal or exceed the quality and performance of the brands and model numbers listed. References to brand names, trade names, model numbers or other descriptions particular to specific brand products are made to establish a required level of quality and functional capabilities, and are not intended to exclude other products of that level. Comparable products of other manufacturers will be considered if proof of comparability is contained in the bid. It shall be the responsibility of the bidders, including bidders whose product is referenced, to furnish with the bid such specifications, catalog pages, brochures or other data as will provide an adequate basis for determining the quality and functional capabilities of the product offered. Failure to provide this data may be considered valid justification for rejection of a bid.
- 3.6 **DELIVERY CONDITION OF EQUIPMENT:** The condition of the equipment must be internally and externally clean and rid of any trash, dirt/mud, damage and odors (e.g.: cigarette smoke) that are determined by LAC Township to be an offense. If in the event LAC Township determines the equipment must be washed or treated by a professional to rid the equipment of odors and/or dirt/mud or repair damage, LAC Township will deduct the expenses from the bidder's invoice. Additionally, LAC Township will place in the vendor's performance file a note referencing the unsatisfactory delivery.
- 3.7 **DELIVERY LOCATION:** The successful vendor will be required to deliver the mower attachment to the LAC Township Maintenance Yard located at 8 Pecks Corner Road, Salem, NJ 08079 and must contact LAC Township PW Foreman, Lewis Fogg, at 856-229-2611 to schedule delivery. LAC Township must receive notice a minimum of one (1) full business day prior to delivery.
- 3.8 **DELIVERY TIME:** Bidders must state the number of business days until delivery after receipt of a signed purchase order. Bidders shall state accurate lead times as LAC Township reserves the right to cancel orders with no obligation when delivery time is exceeded. Vendor must state the number of business days, not a range of days. For example, an unacceptable answer is "30 - 60 business days." Vendors must be specific and state either "30 business days" or "60 business days." If Vendor states a range of days, LAC Township will base their answer on the maximum number of days provided. Vendors will be charged liquidated damages of One Hundred Dollars (\$100.00) per day for delivery past the Vendor's stated delivery date.
- 3.9 **DESTINATION AND DELIVERY:** Bidders must include all destination and delivery charges in their price. **There will be no extra hidden charges.** Delivery must be "free on board" to the Township road department.
- 3.10 **EVALUATION CRITERIA:** This bid will be evaluated using the following criteria:
- | | |
|-----------------------------|-----------|
| Price | 80 Points |
| Delivery (in business days) | 10 Points |
| Warranty | 10 Points |

- 3.11 **EVALUATION REVIEW:** LAC Township reserves the right to use all pertinent information that might affect the Township's judgment as to the appropriateness of an award to the best evaluated bidder. This information may be appended to the bid evaluation process results. Information on a service provider from reliable sources, and not within the service provider's bid, may also be noted and made part of the evaluation file. LAC Township shall have sole responsibility for determining a reliable source. LAC Township reserves the right to conduct written and/or oral discussions/interviews after the bid opening. The purpose of such discussions/interviews is to provide clarification and/or additional information to make an award that is in the best interest of LAC Township.
- 3.12 **NEW MATERIAL:** Unless specified otherwise in the bid package, the bidder must provide new equipment. New, as used in this clause, means previously unused materials. Material includes, but is not limited to, raw material, parts, items, components, and end products. Bidder submission of other than new materials may be cause for the rejection of their bid.
- 3.13 **NEWS RELEASES BY VENDORS:** As a matter of policy, LAC Township does not endorse the services of a Contractor. A Contractor will not make news releases concerning any resultant Contract from this solicitation without the prior written approval of LAC Township.
- 3.14 **NO CONTACT POLICY:** After the date and time that the vendor receives this solicitation, any contact initiated by any bidder with any LAC Township representative, other than the Purchasing Division representative listed herein, concerning this Invitation for Bid, is strictly prohibited. Any such unauthorized contact may cause the disqualification of the bidder from this procurement transaction.
- 3.15 **OPEN RECORDS ACT:** LAC Township is subject to the NJ Open Public Meeting Act (NJSA 10:4 etseq.) Bidders are cautioned that all documents submitted on behalf of this Invitation for Bid shall be open to the public for viewing and inspection and LAC Township will comply with all legitimate requests.
- 3.16 **POSSESSION OF WEAPONS:** All vendors and their employees and their agents are prohibited from possessing any weapons on LAC Township property without prior written consent from the County. In the case of a vendor whose contract requires possession of firearms or other weapons to successfully complete their contract, vendor must provide personnel who are bonded to bear said weaponry.
- 3.17 **SUBMIT QUESTIONS:** Prospective bidders may submit questions concerning this solicitation until **4:30 p.m. local time on March 4, 2014**. Submit questions as noted in Section 1.1.

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Except with respect to affectional or sexual orientation and gender identity or expression, the contractor will ensure that equal employment opportunity is afforded to such applicants in recruitment and employment, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Such equal employment opportunity shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this nondiscrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex.

The contractor or subcontractor will send to each labor union, with which it has a collective bargaining agreement, a notice, to be provided by the agency contracting officer, advising the labor union of the contractor's commitments under this chapter and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to N.J.S.A. 10:5-31 et seq., as amended and supplemented from time to time and the Americans with Disabilities Act.

The contractor or subcontractor agrees to make good faith efforts to meet targeted county employment goals established in accordance with N.J.A.C. 17:27-5.2.

The contractor or subcontractor agrees to inform in writing its appropriate recruitment agencies including, but not limited to, employment agencies, placement bureaus, colleges, universities, and labor unions, that it does not discriminate on the basis of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

The contractor or subcontractor agrees to revise any of its testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as established by the statutes and court decisions of the State of New Jersey and as established by applicable Federal law and applicable Federal court decisions.

In conforming with the targeted employment goals, the contractor or subcontractor agrees to review all procedures relating to transfer, upgrading, downgrading and layoff to ensure that all such actions are taken without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex, consistent with the statutes and court decisions of the State of New Jersey, and applicable Federal law and applicable Federal court decisions.

The contractor shall submit to the public agency, after notification of award but prior to execution of a goods and services contract, one of the following three documents:

Letter of Federal Affirmative Action Plan Approval

Certificate of Employee Information Report

Employee Information Report Form AA302 (electronically provided by the Division and distributed to the public agency through the Division's website at www.state.nj.us/treasury/contract_compliance)

The contractor and its subcontractors shall furnish such reports or other documents to the Division of Public Contracts Equal Employment Opportunity Compliance as may be requested by the office from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Division of Public Contracts Equal Employment Opportunity Compliance for conducting a compliance investigation pursuant to Subchapter 10 of the Administrative Code at N.J.A.C. 17:27.
